BeZero Carbon website users

The BeZero Carbon Rating of voluntary carbon credits represents BeZero Carbon's current opinion on the likelihood that carbon credits issued by a project achieve a tonne of CO₂e avoided or removed. The BeZero Carbon Rating and other information made publicly available ("Content") is made available for information purposes only. The Content and in particular the BeZero Carbon Rating sets out BeZero Carbon's opinion on a particular carbon credit or project and BeZero shall have no liability to any project stakeholder in respect of the opinion and BeZero Carbon Rating which is applied to any project. For information about the BeZero Carbon Rating methodology, qualifying criteria and process, please click [here](#). Use of the Content is subject to applicable terms and conditions and privacy policy. The Content is made available for informational purposes only and you should not construe such Content as legal, tax, financial or investment advice. The Content is a statement of opinion as at the date expressed and does not constitute a solicitation, recommendation or endorsement by BeZero Carbon or any third party to invest, buy, hold or sell a carbon credit. The Content is not a statement of truth and should not be relied upon as a statement of fact. The Content is one of many inputs used by stakeholders to understand the overall quality of any given carbon credit. BeZero Carbon shall have no liability to you for any decisions you make in respect of the Content.
